

HUMAN SERVICES

DEPARTMENTAL HONORS PROGRAM

EASTERN ILLINOIS UNIVERSITY

The **Departmental Honors Program in Human Services** will allow students (including transfer students) who have already declared a major to begin upper division major courses and to participate in an academic honors experience. This program offers an advanced specialization within the Department of Human Services. The program includes courses with honors level expectations, research, independent study and thesis options, all of which allow students to customize their experience by following areas of personal interest through more intense and comprehensive exploration with the guidance of a professor/mentor.

Program Admission Requirements:

Admission to the departmental honors program in Human Services requires:

Overall GPA Pathway

- 12 credit hours completed at EIU with cumulative GPA of 3.5
- HSL Major GPA or Minor GPA of 3.5 or higher (based on 6 credit hours of HSL courses)
